### Volume XX, 2006-2007

*Indexed by Juanita Patton*

#### *Introduction to the Index*

We believe that every genealogical work requires a complete index, and to that end provide an every-name index in the fourth and final issue of each volume of the Journal. This index includes names, places and subjects. Pagination of Volume XX began with page 1 in the Summer 2006 issue and continued through this issue. The following notes prepared during the indexing process will be helpful to the reader.

- Individuals identified in the text as “slaves” are indexed under that heading.
- Names beginning with M', Mc, and Mac appear as if all started with Mac.
- If the maiden name of a female is known, she is listed under both her married and maiden names.
- Rivers and streams are indexed under Waterways and cemeteries are grouped under Cemetery.
- Military units are indexed under that heading.
- (n) indicates that the entry appears in the notes on the page cited.
- (auth) indicates that the person is the author of a Journal article
- (b) indicates the entry appears in the boxed section of the page listed
- Church denominations have been abbreviated: Prim Bap for Primitive Baptist; Cum Pres for Cumberland Presbyterian; Epis for Episcopal; UMC & Meth for United Methodist or Methodist; ME South for Methodist Episcopal Church South.
