MTGS Journal

Volume XXII, 2008-2009

Indexed by Juanita Patton and Mary Lawrence

Introduction to the Index

We believe that every genealogical work requires a complete index, and to that end provide an every-name index in the fourth and final issue of each volume of the Journal. This index includes names, places and miscellaneous. Pagination of Volume XXI began with page 1 in the Summer 2008 issue and continued through this issue. The following notes prepared during the indexing process will be helpful to the reader.

- Individuals identified in the text as *slaves* are indexed under that heading.
- Names beginning with M', Mc, and Mac appear as if all started with Mac.
- If the maiden name of a female is known, she is listed under both her married and maiden names.
- Church denominations have been abbreviated: Prim Bap for Primitive Baptist; Cum Pres for Cumberland Presbyterian; Epis for Episcopal; UMC & Meth for United Methodist or Methodist; ME South for Methodist Episcopal Church South.
